What? Read on for back history and a full explanation

For a couple of decades the illustrious Steve Martin and his lovely wife Jo hosted a “Jonez’n Party” at their home. Every February they would invite their motorcycling and wanna-be motorcycling friends to their home for an evening potluck. Folks would then spend the evening eating and sharing photos, videos and stories about their past trips and jonez’n about plans for the coming year. It was how most of us dealt with the winter blues and planned ahead for the next riding season. As a club, we have decided change this up and to take it to the next level. This year we are hosting the party at Bak’s and having a content. It’s not a wet t-shirt contest, but a regular sort of contest anyone can win.

Bring a creation of your making which can be put on a cocktail bun and called a sandwich to our Joses’n Party Slider Contest. You can bring burgers, BBQ, loose meat, shredded chicken, tavern, or whatever you want to stick on a bun. Everyone who shows up with enough to feed 30 or 40 judges gets in free. If you don’t have a sandwich, admission will be \$3 bucks to help cover expenses. Everyone is a judge and gets to vote for their favorite. The Club will supply baked beans, chips and plates for everyone, so contestants just need their slider entry and a way to serve them up!! There will be coffee and a soda machine, otherwise bring your own beverages. The best slider will get a nice cash prize from the club and \$100 off a new bike along with the bragging rights. Feel free to negotiate with Dave Bak for a sweeter deal.

Bring your photos, magazines, youtube clips to share. Dave will give a short presentation about new features and tech on the 2019 BMW and KTMs and riding gear. Everyone is welcome, so bring a friend or two. You don’t need to a member - all riders, regardless of brand and riding style are welcome!!
